

# Shri Suresh Prabhu

Former Union Minister of Commerce & Industry, Civil Aviation, Railways, Power, Environment and more  
Inauguration Ceremony – Guest of Honour

## Profile Summary

**Shri Suresh Prabhu** is one of India's most respected policymakers and reform-oriented leaders, having served in multiple key Union Cabinet portfolios, including Commerce & Industry, Civil Aviation, Railways, Power, Environment & Forests, Chemical & Fertilizers and as India's Sherpa to the G20. Known for his progressive vision, strategic reforms, and people-centric governance, he has played a transformative role in shaping India's economic growth, infrastructure modernisation, and global trade engagement.

## Key Achievements

- Served as **Union Minister for Commerce & Industry**, spearheading major export reforms and India's global trade outreach.
- As Minister of Civil Aviation, led initiatives to boost regional connectivity and aviation growth.
- As Railway Minister, **launched structural reforms, infrastructure expansion, and technological upgrades.**
- Played a **crucial role in India's G20 negotiations** as India's G20 Sherpa.
- Recognized for introducing sustainable and citizen-focused reforms across multiple ministries.

## Professional Expertise

- Expertise in economic policy, international trade, infrastructure development, governance, and regulatory reforms.

- Skilled in institutional restructuring, public policy design, and strategic national-level planning.
- Known for **promoting innovation-led growth, global economic cooperation, and sustainability-oriented governance.**
- Experienced in driving large-scale projects, administrative reforms, and multi-sector policy transformation.

## Work With DISHA Foundation / PLC (Custom Section)

---

- **Engaged with PLC/foundation programs** promoting policy awareness, leadership development, and nation-building initiatives.
- Contributed to knowledge-sharing sessions on economic reforms, global trade dynamics, and sustainable development.
- Supported initiatives focused on entrepreneurial growth, youth empowerment, and national economic advancement.

## Legacy

---

Shri Suresh Prabhu is widely regarded as a **reform-driven leader** whose contributions have strengthened India's economic foundations, global presence, and governance systems. His visionary work continues to inspire policymakers, entrepreneurs, educators, and youth committed to building a stronger and more self-reliant Bharat.
